Making a **positive** difference to
the lives of young disabled people

About Rose Road

At Rose Road we provide a range of direct care services for children and young people with **complex physical and learning disabilities**, and their families, across Southampton and the wider region.

Through our Oaks and Acorns Respite Unit, Community Services, Activities and Family Services we support over 1,000 families.

We fundraise to **enrich** our services, so we can offer a **wide choice** of activities that **build resilience** and meet **individual need**, no matter how complex, to give disabled young people the very **best experience** with us and **opportunity to thrive** and **achieve** their aspirations.

Our Charity Golf Day

We're delighted to invite you to be part of our inaugural Charity Golf Day at the beautiful Stoneham Golf Club. It promises to be a fantastic day of golf, competitions, dining and networking. Whether you're a seasoned pro or a casual player, all are welcome!

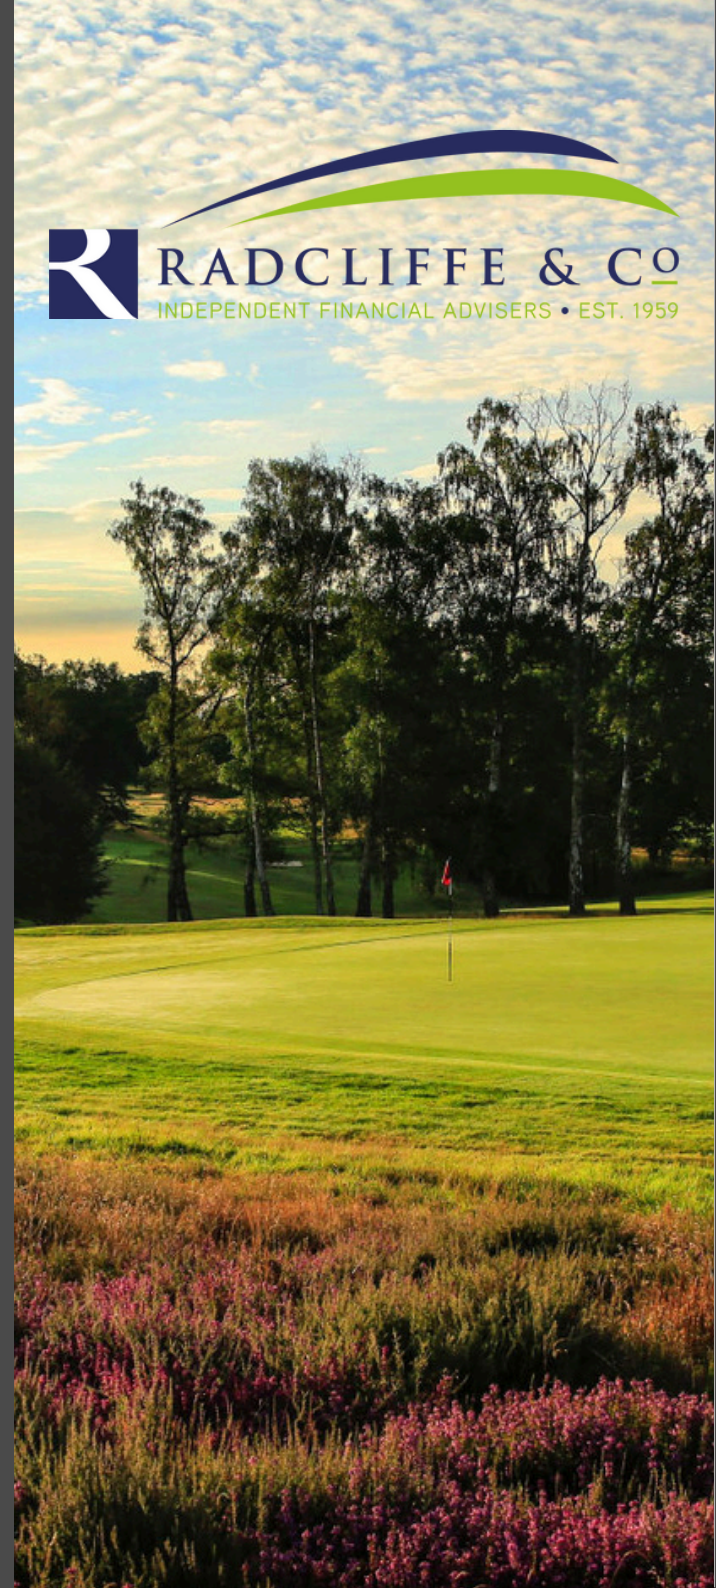

Sponsoring our Charity Golf Day is a unique opportunity to showcase your brand to a wide audience while making a meaningful difference to the lives of disabled children and their families. Your support will help fund vital services provided by Rose Road Association, and in return, you'll gain valuable exposure, networking opportunities, and the chance to align your business with a trusted local charity.

Let's make this day unforgettable - together!
