

RUNNING FOR ROSE ROAD

Rose Road
Association

Making a positive difference to
the lives of young disabled people

My Challenge:

How it helps :

The Rose Road Association is a charity that provides services for over 300 children and young adults with severe physical disabilities, learning difficulties, and/or autism. £500,000 a year is needed just to keep the services running. Support my challenge by making a sponsor or donation and you can help support Rose Road.
